Experience

Imagine School of Animation and Multimedia **Oct 2024 – Present**
Full Stack Web Developer *Bathinda, Punjab*

- Built responsive full-stack websites from Figma designs using React.js, Node.js, and Tailwind CSS.
- Migrated legacy PHP sites to JavaScript stacks and optimized performance with lazy loading and compression.
- Deployed projects on AWS, Firebase, and Render while maintaining version control and project documentation.

Deloitte Consulting India Pvt. Ltd. **Dec 2022 – Jun 2024**
Front-End Developer *Hyderabad, Telangana*

- Developed unified web platforms for healthcare and insurance clients using React.js, Redux, and REST APIs.
- Implemented secure login systems and reusable components like sliders, charts, and modals.
- Collaborated with cross-functional teams, participated in Agile sprints, and maintained deployment workflows.

Technological Skills

- React.js
- Node.js
- JavaScript
- TypeScript
- MongoDB
- Express
- Redux
- Tailwind CSS
- REST APIs
- PHP
- AWS
- Firebase
- Render
- Figma
- CSS3
- HTML5
